Ajaw-Ajaw
APO Hiking Society

I was a tourist in LA came in on a trans-atlantic flight.
I come to see the USA, I wanna have fun and see the sight.

But when I start to drive along the hi-way, I really didn't know which way was my way.
Until I meet a man along the road, and he said,

Chorus

Ajaw panghilabot ug dili imuha, ajaw pangablit kay ija. Ajaw baja bijai simbako, ana baja sija ana baja."

And so I go to Florida, I ride a Greyhound bus and sleep all day. I missed out on the sun, didn't see. Miami vice
is where I want to be.

And so I stop to look for TV station so I can have some fun with my vacation. And so I ask the man along the
road.

And he said...

Repeat Chorus 2x

So if you want to go abroad look out for the man along the road. He may had been from where you are although
you haven't traveled for very far. So if you want to spend a little money spend a little in your little country. And
so let's ask the man along the road.

Repeat Chorus 2x

Lalalala...
Everybody sing it,
Everybody sing ir,
Common everybody,
Common everybody,
Common sing.

Repeat Chorus 4x then fade....
