Love is Blind

Janis Ian

Love is blind
Love is only sorrow
Love is no tomorrow
Since you went away
Love is blind
How well I remember
In the heat of summer pleasure
Winter fades
How long will it take
Before I can't remember?
Memories I should forget
I've been burning
Since the day we met
Love is blind
Love is without a mercy
Love is "Now you've hurt me"
"Now you've gone away"
Love is blind
Love is no horizon
And I'm slowly dying
Here in yesterday
In the morning
Waken to the sound of weeping
Someone else should weep for me
Now it's over
Lover, let me be
Love is blind
Love is your caress
Love is tenderness
And momentary pain
Love is blind
How well I remember
In the heat of summer pleasure
Winter fades
