

Love Is Strange

Buddy Holly

Love
many people
take it for a game
love is strange
you're in an awful fix
once you've had it
you never want to quit
'cos when you've had it
many people
they think love they don't understand
is money in their hand
but your sweet love
and when you leave me
is better than a kiss
those kisses I will miss Love, mmmm
many people, mmmm
love is strange
take it for a game
once you've had it, mmmm
you're in an awful fix
'cos when you've had it
many people, mmmmyou never want to quit
they don't understand
is money in their hand
they think love, mmmm
but your sweet loving, mmmm
is better than a kiss
and when you leave me, mmmm
those kisses I will miss
