Manic Baby

The Preatures

Donâ€™t let it go
Keep your mind on it
Use your control
Or what you got left of it

If you own the night
Iâ€™m gonna get you
If you own the night
And people leave you alone
Iâ€™m gonna get you alone

Little bit precious
When I got a message
I keep my mind on it
Like an eagle when I look down on it

If you own the night
Iâ€™m gonna get you
On your own tonight
When people leave you alone
Iâ€™m gonna get you alone

Manic baby what you know
On the loose youâ€™re on your own
Youâ€™re gonna get it tonight
Youâ€™re gonna get it tonight oh
Wrap yourself in confidence
Till youâ€™re coming down again
Youâ€™re gonna get it tonight
Youâ€™re gonna get it tonight oh oh

And if you wanna win it
Teach it to the limit
Fuck control
Youâ€™ve got none left of it

If you own the night
Iâ€™m gonna get you
On your own tonight
When people leave you alone

Iâ€™m gonna get you alone

Manic baby what you know
On the loose youâ€™re on your own
Youâ€™re gonna get it tonight
Youâ€™re gonna get it tonight oh
Wrap yourself in confidence
Till youâ€™re coming down again
Youâ€™re gonna get it tonight
Youâ€™re gonna get it tonight oh oh
