Manic Baby

[The Preatures](#)

Don't let it go
Keep your mind on it
Use your control
Or what you got left of it

If you own the night
I'm gonna get you
If you own the night
And people leave you alone
I'm gonna get you alone

Little bit precious
When I got a message
I keep my mind on it
Like an eagle when I look down on it

If you own the night
I'm gonna get you
On your own tonight
When people leave you alone
I'm gonna get you alone

Manic baby what you know
On the loose you're on your own
You're gonna get it tonight
You're gonna get it tonight oh
Wrap yourself in confidence
Till you're coming down again
You're gonna get it tonight
You're gonna get it tonight oh oh

And if you wanna win it
Teach it to the limit
Fuck control
You've got none left of it

If you own the night
I'm gonna get you
On your own tonight
When people leave you alone

I'm gonna get you alone

Manic baby what you know
On the loose you're on your own
You're gonna get it tonight
You're gonna get it tonight oh
Wrap yourself in confidence
Till you're coming down again
You're gonna get it tonight
You're gonna get it tonight oh oh
