

# Someone

## The Clean

Tell me,  
Tell me that you want me,  
And I'll be yours completely  
For better or for worse. I know,  
We'll have our disagreements,  
Be fighting for no reason.  
I wouldn't change it for the world. 'Cause I knew  
The first day that I met you  
I was never gonna let you,  
Let you slip away.  
And I  
Still remember feeling nervous  
Trying to find the words to  
Get you here today. You make my heart feel like it's summer  
When the rain is pouring down.  
You make my whole world feel so right when it's wrong.  
That's how I know you are the one.  
That's why I know you are the one. Life  
It's easy to be scared of.  
With you I am prepared for  
What is yet to come. 'Cause our two  
Hearts will make it easy  
Joining up the pieces  
Together making one.  
You make my heart feel like it's summer  
When the rain is pouring down  
You make my whole world feel so right when it's wrong  
That's how I know you are the one  
That's why I know you are the one. When we are together you make me feel like my mind is free and my dreams  
are reachable, whoa  
You know I never ever believed in love, I believed one day that you would come along and free me. You make  
my heart feel like it's summer  
When the rain is pouring down  
You make my whole world feel so right when it's wrong. That's how I know you are the one  
That's why I know you are the one  
That's why I know you are the one  
That's how I know you are the one
