

# I Can't Catch You

## Sixpence None the Richer

I guess you could say I'm a little afraid  
What if you go away? I've seen it before  
I've been here before  
If I have to love myself, tell me how to love myself  
What's there to love about myself? I just want to see that as a person you want me  
But I'm feeling the pain of all these bags in the way  
And I'm thinking you're just gonna run away  
And I can't catch you I guess I would say that I want you to stay  
'Cause you have this strange knack  
Adds a glow to my black as you chase it all away  
And I hope that you can see I will someday leave these things  
I am waiting to be free But I'm feeling the pain of all these bags in the way  
And I'm thinking you're just gonna run away  
And I can't catch you  
Oh, I want to catch you
