

# Mr. James Dean

## Hilary Duff

All the king's horses  
Wouldn't make me believe  
Even when the walls come crashing down  
You still can never be  
A rebel without a cause  
A rebel to the first degree  
Why don't you stop trying so hard?  
Cause there's no men, man enough to be

Another James Dean  
You're nothing like him  
So don't call me friend  
Cause you're nothing like me  
Even when the world stop turning  
There will never be another James Dean  
You'll never be James Dean

All the faces you're making  
Save it for the scene  
All the people you're faking  
Why was it only me?  
Who saw right into your eyes  
And you're just not so deep  
I've had too many cries  
Mr. Prince Charming  
Sorry, you could never be

Cause you're nothing like him  
So don't call me friend  
Cause you're nothing like me  
Even when the world stop turning, the world stops turning  
Now you move to the next town  
Next set, next girl, have fun baby  
I'm taking back my world

Here we are face to face  
Same energy, you and me  
Don't wanna be enemies [x5]
