

# Holding Out For A Hero

## Glee Cast

Kitty:

Where have all the good men gone  
And where are all the gods?  
Where's the street-wise Hercules  
To fight the rising odds?

Marley:

Isn't there a white knight upon a fiery steed?  
Late at night I toss and turn

Kitty and Marley:

and dream of what I need

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure and he's gotta be soon

And he's gotta be larger than life, larger than life

Marley and Kitty:

Oh whoa!

Marley:

Oh!

Kitty:

Yeah!

Marley and Kitty:

Oh, oh!

Marley:

Somewhere after midnight

In my wildest fantasies

Somewhere just beyond my reach

There's someone reaching back for me

Kitty:

Racing on the thunder and rising with the heat

Marley and Kitty:

It's gonna take a superman to sweep me off my feet? (Marley: Ooh!)

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure and he's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

Kitty:

Up where the mountains meet the heavens above

Out where the lightning splits the sea

I could swear that there's someone somewhere watching me

Marley:

Through the wind and the chill and the rain

And the storm and the flood

I can feel his approach is like a fire in my blood

Marley and Kitty:

Oh!

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, he's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero
