

So Good

Tim Godfrey

You are so good to me Jesus, haha
Jesus, you are so good to me, heh
Jesus, you are so good to me
In all circumstances
Halleluyah
Jesus, you are so good to me
In all circumstances, in all circumstances
Jesus, you are so good to me
In all circumstances, in all circumstances
Dependable, dependable God
It doesn't matter what comes my way you are still God
Intentional, intentional God
Everything is working out for my good
Dependable, dependable God
It doesn't matter what comes my way you are still God
Intentional, intentional God
Everything is working out for my good
Everybody sing it
You are good, you are good, Jesus, You are
You are good, you are good, Jesus
Jesus, you are so good to me
In all circumstances, in all circumstances
Jesus, you are so good to me
In all circumstances, in all circumstances
Jesus, you are so good to me
In all circumstances, in all circumstances
Jesus, you are so good to me
In all circumstances, in all circumstances
Halleluyah
