

Be a Bee

Air

Be a bee
Be be be a bee
Be a bee
Be be be a bee So many things I refuse to be
I'd like to be be a bee
So many things I refuse to be Be a bee
Be be be a bee
Be a bee
Be be be a bee So many things are bothering me
But you know bees are free
So many things I refuse to be
I'd like to be be a bee
I'd like to be be a bee
