

# Big Mouth

## Red Dragon Cartel

It's a dirty night in a dirty town  
And everybody's tripping so whiskey down  
And you're still - on the railEverybody's stoned - skeleton and bones  
And I keep asking myself if you will or won't  
But you're still - gonna failYa gotta ask yourself  
do you feel lucky tonight  
Ya gotta ask yourself do you feel luckyYa gotta big mouth for a small man  
Ya sure gotta big mouth for a small man  
Ya sure gotta big mouth for a small man  
Ya gotta ask yourself how lucky you feel  
Holding a dead man's hand baby  
Your talk is smooth  
but you got nothing to prove  
But I'm starting to get fed up  
with your attitude  
I call time - make your moveIt's a scarlet moon the sun is rising soon  
The pack is coming alive the smell of  
blood and gloom  
Now it's time - for me and youYa gotta ask yourself  
do you feel lucky tonight  
Ya gotta ask yourself do you feel luckyYa gotta big mouth for a small man  
Ya sure gotta big mouth for a small man  
Ya sure gotta big mouth for a small man  
Ya gotta ask yourself how lucky you feel  
Holding a dead man's hand baby  
(Guitar Solo)Ya gotta ask yourself do you feel luckyYa gotta  
Big mouth  
Big mouth  
Big mouthYa gotta  
Ya gottaBig Mouth  
Big Mouth  
For a  
For a small manYa gotta big mouth  
For a  
For a  
For a small manYa sure gotta big mouth  
Big mouth  
Ya gotta ask yourself how lucky you feel  
Holding a dead man's hand baby
