My Palestine Girl (feat. Blue Daisy)

Tricky

She's got a wiggle when she walk
A giggle when she talk
She's close to God
I dribble like a dogShe's my Palestine girl
My Palestine baby
She drive me crazy
Sun make me lazyI take a trip to Gaza
It's love I'm really after
She tells me happy be (?)
We walk happily
Haven't seen her lately
I worry 'bout her safetyI take a trip to Gaza
It's really love I'm afterTricky & Blue Daisy:
She's trapped in Babylon
I tell her that I won't be long
(4x)Blue Daisy:
Imprisoned in Babylon
The city of sin
A state of mind ...
It's so fucking frightening
Its demons are out
To run their course
A living corpse
Dead to achy feeling (?)
... course
... hungry horse
Or no ...
Unresting feeling
No rest for the wicked
... pace of ...
But to them she's creeping
Through the night is sleepingTricky:
I take a trip to Gaza
It's really love I'm after
(2x)Blue Daisy & Tricky:
She's trapped in Babylon
I tell her that I won't be long
(repreated)
