

# Love and Grace

[Dr. Tumi](#)

To those who will trust in you and no one else  
To those who will lean on rely on and holy depend on him.  
This is the song for the ones who say Jesus you're my first you're my last you're my life and am resting cause I  
know, i know that you are in control.  
and now I bring my praise to you Jesus just to appreciate the sacrifice that you made for us.  
You died on Calvary so I'd be saved.  
I'm blown away, I'm blown away  
You can in to my life and now I'm fulfilled  
Not because of what we do or who we are  
Not our wisdom not our strength  
But you love and Grace  
It was you all along  
Who made the perfect ride  
Lord I spell it out its your love and Grace
