

# Prophet (Grammis Version) [feat. Robyn]

## Zhala

Immovable dance all night  
I am the confuser now  
Solid people, solid sound  
I have time to love you now Immovable dance all night  
I am the confuser now  
Solid people, solid sound  
I have time to love you now You're not the problem  
I'm just waiting to get along  
Your anatomy  
I'm just craving to have it all  
Immovable dance all night  
I am the confuser now  
Solid people, solid sound  
I have time to love you now Immovable dance all night  
I am the confuser now  
Solid people, solid sound  
I have time to love you now  
Immovable dance all night  
I am the confuser now  
Solid people, solid sound  
I have time to love you now
