

Typical Heartbreaker (Acoustic Version)

Kolohe Kai

(Verse one)

I have seen so many instances
Of a girl falling in love
With a man who only wants one thing
And this is not your ring
Too him your just a fling
Or a way have some fun
And he'll leave you when hes done(Chorus)
Ooohhhh woahh ooohhhh woahh
A typical heart breaker
Ooohhhh woahh ooohhhh woahh
Strictly a player
Ooohhhh woahh ooohhhh woahh
A typical heart breaker
Your too good to be fooled by any typical heartbreaker

(Verse two)

When you look away
I see him
Smiling at another girl
The same exact smile that he says
He only gives to you
But that's just what he'll do
Throw you a rose or two
And you don't see it's fake
So I wrote this song for goodness sake(Chorus)Yeahhh yeahhhh
Yeahhh yeahhhhYeahhh yeahhhh
Yeahhh yeahhhhYeahhh yeahhhh
Yeahhh yeahhhh
Girl will you please open your eyes
See that your man is full of lies
Believe in your heart it's true
That he is going to the same he did to you
To someone else I don't think that it is fair
For him to even to dare
To break another sweetheart

Just like youChorus x2Your too good to be fooled by any typical, typical, typical heart breakerI have seen so
many instances

Of a girl falling in love with a typical heart breaker
