Hold On

Los Lobos

Hold on
Hold on to every breath
And if I make it to the sunrise
Do it all over again
Do it all over againAnd Im killing myself
Just to keep alive
Killing myself to survive
Killing myself to surviveEvery night, I stare this thing down
Knowing that youll win in the end
Theres blood on the rag, only dust in the bag
Thought you said you were my friendAnd I'll hold on
Hold on to every breath
And if I make it to the sunrise
Do it all over again
I'll do it all over againNow Im killing myself
Just to keep alive
Killing myself to survive
Killing myself to survive
Killing myself to survive
I'm killing myself to surviveNow, hold on
Hold on to every breathEvery day, watch the sun go down
Telling myself a big lie
Can I say Ill go another day
Or will this be the time that I die?And I'll hold on
Hold on to every breath
And if I make it to the sunrise
Do it all over again
Do it all over againKilling myself just to keep alive
Killing myself to survive
Killing myself to survive
Killing myself to survive
Killing myself to survive
