Impossible

The Charlatans

Impossible raw woman, I you know you're all too hard to please
I can help you, will you only ask me kindly
Don't make me get down on my knees
God bless these hungry women, impossible to ever keep
Your breath has never tasted so sweetI don't need you to need me to need my freedom
My freedom is a vision you seek
And the place you disappear to is a place I wish to be
I beg you, instill you
Don't treat it like some kind of joke
This song kind lady is my only hopeYou can't kill an idea just cause it's raining
Keep it in the family, keep it in the kids
(You know) They are all handing out free tickets
This big old boat is a startin' to sink
This whole world is getting hungry
And it ain't memories you need from me
And if memories are all you need from me
You're a hard act to pleaseI miss you and it's lonely
I admit I can hardly sleep
Why now he looks like a plastic surgeon
Just look at him he's a piece
The whole world is like a postcard
Easy lost and easy to reach
And if this is where you're going I will surely leave
