I'm a fan of you (fan of you)

Celebrate bitch woopdy doo

Im on the ocean and im potent

I got pocket full of golden tokens

Quit wishin and hopin

Grab that ship by the wheel, goin in

Timbol in your backyard

Got the girls for you, got me ever hard

And I party party real hard

Love when they start to give a shit all

And you say you dont do shit

And you love when the bass hit

And you love when the bass hit

Boom boom boom, chicky chicky

Be cool, be easy

Baby just dont tease me

Be cool, be easy

Just please me
Be cool, be easy
Baby just dont tease me
Be cool, be easy
Just please me
Sippin on sippin on sippin on vino
Erybody get more drunk kilo
What they call that?
C note
Lets spend that, on a d-low
Hit the mall, nah
Lets find a cliff we can jump off
You afraid of heights
Let me know we can take that flight
Baby like a kitty cat
All proud, tight line
Where your hips at?
I know you can come
Built like that
This the underground world
Dev to my right, im right here
They love it when we drop that
Boom boom boom,
Give it to em now

push up on it but don't hurt it (hurt it)

push up on it but don't hurt it (hurt it)
Be cool, be easy
Baby just dont tease me
Be cool, be easy
Just please me
Be cool, be easy
Baby just dont tease me
Be cool, be easy
Just please me
Dont dont hurt it, dont dont dont hurt it
If you want to serve it
You have got to work it baby
Dont dont hurt it, dont dont dont hurt it
If you want to serve it
You have got to work it baby
Be cool, be easy
Baby just dont tease me
Be cool, be easy
