

# Super Girl

Krystal Harris

Sometimes I have dreams,  
I picture myself flying.  
Above the clouds,  
high in the sky.  
Conquering the world,  
with my magic piano  
Never being scared,  
but now I realize. I'm super girl,  
and I'm here to save the world.  
But I wanna know,  
who's gonna save me.  
I'm super girl,  
and I'm here to see the world.  
And I wanna know,  
why I feel so alone. Seems like a dream,  
but there's one thing missing.  
Nobody's here,  
with me.  
To share in all,  
that I've been given.  
I need someone,  
who's strong enough for me. CHORUS:  
I'm super girl,  
and I'm here to save the world.  
But I wanna know,  
who's gonna save me.  
I'm super girl,  
and I'm here to save the world.  
But I wanna know,  
why I feel so alone. I need someone,  
I won't stop till I find the one.  
Who will stop the longing in my life?  
I need someone,  
I won't stop till I find the one.  
Who will stop the long in my life? CHORUS I'm super girl,  
but I wanna know who's gonna save me.  
I'm super girl,  
and I'm here to save the world.  
But I wanna know,

why I feel so alone. I'm super girl  
I wanna know who's gonna save me  
I'm super girl  
and I'm here to save the world (fade out)
