

Annie Oakley

Miniature Tigers

It's a very tiny risk that I'm willing to take
It's my foot, it's my heart, it's my back
That I'm willing to breakIt's the dog in me who's barking at you
What am I doing here, everybody wants you
Hands down, pilgrim
Your death is coming soonI don't wanna move too fast
I don't wanna scare you off
I don't wanna move too slow
Someone's gonna snatch you off
I don't wanna move too slow
I don't wanna move too slow
And end up all aloneI'm like a housecat, waiting to be clawed
It's a shotgun wedding
I hate my in-laws
It's a drag dragging them around town
It's dragging me downIf I don't act soon somebody's gonna get you
I wouldn't mind, I could never tie you downI don't wanna move too fast
I don't wanna scare you off
I don't wanna move too slow
Someone's gonna snatch you off
I don't wanna move too slow
I don't wanna move too slow
And end up all aloneI lost the plot,
What was this all about?
Attack piano
The words are spilling out of my gun
Black blood from your new high heels
Stomping out someone who never should be lying at your feetI don't wanna move too fast
I don't wanna scare you off
I don't wanna move too slow
Someone's gonna snatch you off
I don't wanna move too slow
I don't wanna move too slow
And end up all alone
