

I'm Tongue-Tied

The Magnetic Fields

I'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless again My heart pounds
I make sounds
My ears hum My head pops
The shoe drops
I'm struck dumb I'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless again You say things
The room swings
I feel things I've no doubt
I'll black out
Grand love aint's I don't die
I say, "Hi"
How clever I turn blue
I love you
For ever I'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless again
I'm tongue-tied and useless again
