

True Love Never Runs Smooth

Gene Pitney

Stand beside me all the while no matter what goes wrong
Separately we're weak, together we'll be strong
Fo-or true love never runs smooth, but I don't care
'cause true love is worth all the pain, the heartaches and tears
That we may sha-are.

Stand beside me all the while no matter what goes wrong
La-la-la-la-la-la-la

When the world outside my arms is pulling us apart
Press your lips to mine and hold me with your heart
Fo-or true love never runs smooth, that's what they say
But true love is worth all the pain, the heartaches and tears
We have to fa-ace.

Stand beside me all the while no matter what goes wrong
Separately we're weak, together we'll be strong
La-la-la-la-la-la-la

Fo-or true love never runs smooth, that's what they say
But true love is worth all the pain, the heartaches and tears
We have to fa-ace.

Stand beside me all the while no matter what goes wrong
La-la-la-la-la-la-la

Stand beside me all the while no matter what goes wrong
La-la-la-la-la-la-la
