

Angel From Above

Groove Coverage

I knew an angel from above,
An angel from above,
I wish she's just couldn't get enough,
The angel from above,
Were flying hand in hand,
You are from heaven sent,
The angel from above,
An angel from above. Angel, angel, my angel from above.
Ooh angel, angel from above.
I knew an angel from above,
An angel from above,
I wish she's just couldn't get enough,
The angel from above,
Were flying hand in hand,
You are from heaven sent,
The angel from above,
An angel from above.
