You think is a laughing matter this

Verse 1:
You a try everything you have you trap set up
And you plan is for one brother to hate the other brother
And slay him so Babylon can crush him cup
It's a pity many of the youths don't realize
That you stray them with your dollars
Give them your killing orders
And turn around and sell dem out just like french fries
But here is what you do, you use the youths like dem a tool
For doing a bag a evilous things
But woe be on to you for turning people pickney fool
You shatter their hopes and dreams
You can't deny don't even try
You are the reason why decomposed bodies are often found
But will not be for long can't escape with all your wrong
Countless murders committed in towns

Chorus:
Fi di bag a people you mek a suffer
Fi di blood money that mek you richer
Oh oh oh Mr. Heartless you end it a go bitter
Shall be bitter, shall be bitter
Fi di youths you pay fi do the murder
Al a di body whey dem dump in a gutter
Oh oh oh
Member you a go pay fa

Verse 2:
Check it out many times the innocent get slay
And you same one name the killer

To the crime stop media
Collect reward while sufferer grieve in pain
Mama face the hardest time to give youths education
And end up loosing many ways for her is only wasted days
No chance of getting back a fraction
So youths you need to stand up strong
Don't take no boosting from no one
Take this advise I give
Don't get red eye because a money just work and earn it honestly
Don't say that I'm talkative
A lot of youth like you dem use and heard it often in the news
Most wanted for killing a few
No follow them and loose your soul
Just keep you cool nuh loose control
Like others they will shake you up too

Chorus:
Fi di bag a people you mek a suffer
Fi di blood money that mek you richer
Oh oh oh Mr. Heartless you end it a go bitter
Shall be bitter, shall be bitter
Fi di youths you pay fi do the murder
Al a di body whey dem dump in a gutter
Oh oh oh
Member you a go pay fa

Remember
Until the colour of a man skin is of no more significance
Than the color of his eyes,
Then shall always war
Please know what life is for
Jah, Rastafari
