

Yo Mamas a Pajama

Spin Doctors

Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends
Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends I once knew a girl with a funky doo-wop
Spent all her money just to look like a mop Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends Yo mama's a pajama, yo mama's a llama
Yo mama's a pajama I love myself, I think I'm grand
I like to sit and hold my hand
When I grow up I'll marry me
And somehow form a family Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends
Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends Yo mama's a pajama, yo mama's a llama
Yo mama's a pajama Yo ma, yo pa, yo greasy grandma
She got a big behind like Frankenstein
She go beep beep beep down Sesame Street Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends
Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends Yo mama's a pajama, yo mama's a llama
Yo mama's a pajama Ain't she sweet, she get on down the street
Ain't she sweet, she get on down the street
Ain't she sweet, she get on down the street
Ain't she sweet, she get on down the street Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends
Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends I once knew a girl with a funky doo-wop
She spent all her money just to look like a mop Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends
Yo mama's a pajama and she ain't no good
Yo mama's a pajama and she ain't got no friends I ask you very confidentially
