Favorite Fool of All

Dustin Sonnier

i gotta go, it's her again
i know i shouldn't answer, but she's needing a friend
oh i know it's wrong, but i can't help myself
i said i let her go, but i haven't yet
and i must be her favorite fool of all, cause everytimes she's lonely she gives me a call
and holds me till somebody new can steal away her heart
oh i must be her favorite fool of all
no i'm not blind, i can sure see
what she's always done, when she's through with me
but you're not in my shoes, and she's not in your heart
i know i'm a fool, but i've known it from the start
and i must be her favorite fool of all
cause everytime she's lonely she gives me a call
and holds me till somebody new can steal away her heart
oh i must be her favorite fool of all
yes i must be her favorite fool of all
