

Only God Could Stop Me Loving You

Billy Ray Cyrus

We saw the moon in Colorado
Made music in Tennessee
We found the gold in El Dorado
It's so good makin' love, you and me
These arms, they will never hold another
These eyes, they are blind to any other
These lips, no other girl will ever kiss
This heart, it will always feel like this [Chorus]
Only God could stop me lovin' you
Only God could tell me not to
He sent you from Heaven
Just to make my dreams come true
When he opened the door
That you came walkin' through
Only God could stop me lovin' you
Now we stuck oil in Oklahoma, yeah
We won the Oscar in Hollywood
We climbed the canyons of Arizona
And, baby, makin' love never felt so good
These arms, they will never hold another
These lips, no other girl will ever kiss
This heart, it will always feel like this [Chorus]
Well, there ain't no girl in the whole wide world
Could take away my heart
And there ain't no man who could steal
Your hand and tear us apart
But there is one God in Heaven above
Who gave me love strong enough to call my own [Chorus]
