

# S.o.s. (rescue Me)

Rihanna

La la la, la la la, la la la la la, oh  
(You know, I've never felt like this before)  
Oh oh  
La la la, la la la, la la la la la, oh  
(This feeling's like so real)  
Oh oh I'm obsessive when just one thought of you comes up  
And I'm aggressive, just one thought ain't close enough  
You got me stressing, incessantly pressing the issue  
Cause every moment gone you know I miss you I'm the question and you're of course the answer  
Just hold me close boy cause I'm your tiny dancer  
You make me shaken, I'm, never mistaken  
But I can't control myself, got me calling out for help S-O-S, please someone help me  
It's not healthy for me to feel this  
Y-O-U are making this hard  
I can't take it, see it don't feel right S-O-S, please someone help me  
It's not healthy for me to feel this  
Y-O-U are making this hard  
You got me tossing and turning can't sleep at night This time please someone come and rescue me  
'Cause you on my mind has got me losing it  
I'm lost, you got me looking for the rest of me  
Love is testing me but still I'm losing it This time please someone come and rescue me  
'Cause you on my mind has got me losing it  
I'm lost you got me looking for the rest of me  
Got the best of me, so now I'm losing it Just your presence and I second guess my sanity  
Yes, it's a lesson, it's unfair, you stole my vanity  
My tummy's up in knots and when I see ya it gets so hot  
My common sense is out the door, can't seem to find the lock S-O-S, please someone help me  
It's not healthy for me to feel this  
Y-O-U are making this hard  
You got me tossing and turning can't sleep at night This time please someone come and rescue me  
'Cause you on my mind has got me losing it  
I'm lost, you got me looking for the rest of me  
Love is testing me but still I'm losing it This time please someone come and rescue me  
'Cause you on my mind has got me losing it  
I'm lost, you got me looking for the rest of me  
Got the best of me, so now I'm losing it Boy, you know you got me feeling open  
And boy, your love's enough with words unspoken  
I said boy! I'm telling you, you got me open  
I don't know what to do, it's true

I'm going crazy over you, I'm begging  
S-O-S, please someone help me  
It's not healthy for me to feel this  
Y-O-U are making this hard  
You got me tossing and turning can't sleep at night  
This time please someone come and rescue me  
Cause you on my mind has got me losing it  
I'm lost, you got me looking for the rest of me  
Love is testing me but still I'm losing it  
This time please someone come and rescue me  
'Cause you on my mind has got me losing it  
I'm lost, you got me looking for the rest of me  
Got the best of me, so now I'm losing it  
La la la, la la la, la la la la la, oh  
Oh oh  
La la la, la la la, la la la la la, oh  
Oh oh
