

# Surrender (Work In Progress)

Billy Talent

She reads a book from across the street  
Waiting for someone that she'll never meet  
Talk over coffee for an hour or two  
She wonders why I'm always in a good mood Killing time before she struts her stuff  
She needs support and I've become the crutch  
She'll never know how much she means to me  
I'd play the game but I'm the referee (Surrender) every word, every thought, every sound  
(Surrender) every touch, every smile, every frown  
(Surrender) all the pain we've endured until now  
(Surrender) all the hope that I lost, it was found  
(Surrender) yourself to me Even though I know what I'm looking for  
She's got a brick wall behind her door  
I'd travel time and confess to her  
But I'm afraid she'd shoot the messenger (Surrender) every word, every thought, every sound  
(Surrender) every touch, every smile, every frown  
(Surrender) all the pain we've endured until now  
(Surrender) all the hope that I lost, you have found  
(Surrender) yourself to me I think I found a flower in a field of weeds  
I think I found a flower in a field of weeds  
Searching until my hands bleed  
This flower don't belong to me  
I think I found a flower in a field of weeds  
I think I found a flower in a field of weeds  
Searching until my hands bleed  
This flower don't belong to me  
This flower don't belong to me  
Why can't she belong to me? Every word, every thought, every sound  
Every touch, every smile, every frown  
All the pain we've endured until now  
All the hope that I lost, you have found (Surrender) every word, every thought, every sound  
(Surrender) every touch, every smile, every frown  
(Surrender) all the pain we've endured until now  
(Surrender) all the hope that I lost, you have found (Surrender) I never had the nerve to ask  
(Surrender) Has my moment come and passed?  
(Surrender) I never had the nerve to ask  
(Surrender) Has my moment come and passed?  
(Surrender) I never had the nerve to ask  
(Surrender) Has my moment come and passed?

(Surrender) I never had the nerve to ask
