

Die Alone (feat. Lucius)

Lukas Nelson & Promise of the Real

I used to think I was a man for love
I thought that life was unkind
I used to sit in the corner
Nobody paid me no mind Now I got a reason for living
I got a love of my own
Ain't handing nobody roses
But I ain't gonna die alone
Ain't gonna die alone She makes me egg in the morning love
At night she brings me my tea
Those little things that never mattered much
Now mean the world to me And now I got a reason for living
I got a love of my own
Ain't handing nobody roses
And I ain't gonna die alone
Ain't gonna die alone
Well, now I got a reason for living
I got a love of my own
Ain't handing nobody roses
Well I don't wanna die alone
No I don't wanna die alone
No I don't wanna die alone
Don't wanna die alone
Don't wanna die alone
Don't wanna die alone
Don't wanna die alone
