Black Sky

IRON ATTACK!

Well, I sure take it with me wherever I go
And you might like to see it but it never does show
Like a wind in the valley that never does blow
Like the grass in the back you never did mowIt's a black sky formin' on the ridge
It's a woman waitin' standin' on the bridge
It's the price that you pay for walkin' on the ledge
It's everythin' you do and nothin' that you didWell, you might see me drivin' in the wrong side of town
And you might see me shinin' when the rain's comin' down
Like a diamond that's hidin' in the lost and found
Like a coon that's runnin' from a red bone houndIt's a black sky formin' on the ridge
It's a woman waitin' standin' on the bridge
It's the price that you pay for walkin' on the ledge
It's everythin' you do and nothin' that you didWell, the wood keeps burnin' in the old wood stove
And the cows keep goin' where they done been drove
And a light keeps glowin' in a dead man's cove
And a loom keeps spinnin' where the weave gets woveIt's a black sky formin' on the ridge
It's a woman waitin' standin' on the bridge
It's the price that you pay for walkin' on the ledge
It's everythin' you do and nothin' that you did
