If I Was A Bird

[Floetry](#)

Sometimes blindness finds me
And leads me through ignorance
Not allowing us to gain experience
So we become lifeless
At other times I cover with
Self pity or work aimlessly
Through reality so
Occasionally I choose to travel alone
But never fulfill my possibility so
Mostly I attempt to achieve balance
By seeking right knowledge and loving
And reviewing and eventually overstanding those
Many lessons of my lifeYou got me caught in
A stormy odd world that drains
And I beg to see truth and promises
You made to me
Now we've come so far
But my visions of happiness
With you in my life
I'm afraid and confused
If I was a bird I'd fly[Chorus]
If I was a bird I'd fly away
Spread my wings so I'd escape
If I was the sky
I'd let it rain to wash away the painIf I was a bird I'd fly away
Spread my wings so I'd escape
If I was the sky
I'd let it rain to wash away the painNow why do I feel so alone
Knowing I know I have you
And what made you turn around on me
What did I do
and when did love feel this way
So much pain and misery
Where's the you I once knew
And could ya fly with me[Chorus: Repeat x2]Now I can't stay
You won't need me
Set me free and let me fly
Oh fly with me
Fly with me me

Fly with me yeah
Fly oh fly fly[Chorus: Repeat x2]Fly away
(music)
If I were the sky
I'd let it rain to wash the pain
(music)
Fly away
