Crossing Jordan

Sorrow

Torn apart
Left me alone
You passed away without the word and all alone you walk away
You`re crossing Jordan.
May your way be safe
You lived your life in modesty and you are always in my heart
Take,take my life
A sacrifice to bring you back
Words cannot tell how great is the loss
I want you back right now
I`m longing for youChorus:
Forever in my mind
My memories are all I`ve gotStare at the stars with empty eyes
I want you back
Life is worth living without you it`s tough
I want you back right now
I`m longing for youChorus:
Forever in my mind
My memories are all I`ve got
I keep you in my heart
(in) remembrance of what we hadWhen no one understands
The darkness that I wander in
Your parting meant distance
It needs light shone from your heavensChorus:
Forever in my mind
My memories are all I`ve got
I keep you in my heart
(in) remembrance of what we had
