

Smiley Faces (Live From Later With Jules Holland)

Gnarls Barkley

But what did you do
What did you say
Oh did you walk or did you run away
Where are you know
Where have you been
Did you go alone or did you find a friend I need to know this
'Coz I noticed I'm just smiling
How can the sun
Have any fun
Feeling free And I can tell you know how hard this life can be
But you keep on smiling for me So what went right
What went wrong
Was it a story or was it a song
Was it over night
Or did it take you long
Was knowing your weakness what made you strong For all the above
Oh how I love to see you smiling
An oh yeah
Take a little pain just in case You need something want to embrace
To help you put on a smiley face
Face
Smiley face Don't you go off into the new day without getting down
Here's a summary of something you get sad about
Say for instance my girlfriend she, bugs me all the time
But the irony of it all is that she loves me all the time
Oh see I believe
Whenever I see you smiling
'Coz excuse me
But it's easily one of the hardest things to do
Your worries and fears become your friends
And they end up smiling at you
Put on a smiley face
