

Just Like A Pill

Cascada

I'm lyin' here on the floor where you left me

I think I took too much

I'm cryin' here, what have you done?

I thought it would be fun

I can't stay on your life support

There's a shortage in the switch

I can't stay on your morphine

'Cause it's making me itch

I said, I tried to call the nurse again

But she's bein' a little bitch

I think I'll get outta here

Where I can run as fast as I can

To the middle of nowhere

To the middle of my frustrated fears

And I swear, you're just like a pill

Instead of makin' me better

You keep makin' me ill

You keep makin' me ill

Run as fast as I can

To the middle of nowhere

To the middle of my frustrated fears

And I swear, you're just like a pill

Instead of makin' me better

You keep makin' me ill

You keep makin' me ill

I haven't moved from the spot where you left me

This must be a bad trip

All of the other pills, they were different

Maybe I should get some help

I can't stay on your life support

There's a shortage in the switch

I can't stay on your morphine

'Cause it's making me itch

I said, I tried to call the nurse again

But she's bein' a little bitch

I think I'll get outta here

Where I can run as fast as I can

To the middle of nowhere

To the middle of my frustrated fears

And I swear, you're just like a pill
Instead of makin' me better
You keep makin' me ill
You keep makin' me ill
Run as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of makin' me better
You keep makin' me ill
You keep makin' me ill
Where I can run as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear, you're just like a pill
Instead of makin' me better
You keep makin' me ill
You keep makin' me ill
