Scream

Hedley

Baby be mine
'Cause even God knows
Girl if you want it
You got it you'll never let it go
You're all that I want
You heard it all before
'Cause if you take it
I'm waiting outside of your door
Theres no rest for
The reckless who run into love
Will you scream when you're alone
Even the beautiful lose control
Will you scream when you're alone
I got a burning need to know, know, know
I can't explain my bad behavior
And Baby you're a savior
And I don't wanna end up alone
Will you scream when you let go
Even the beautiful, the beautiful
Lose control
Ohh-ohh-ohh-ohhhh Nah-nah-nah-nahh
Baby you're so righte, righteous
Anticipating heartache
Even before the first kiss
And if you'd have good
You're gonna love this
From sink to sinner
A winner you don't wanna miss
The-the-there's no rest for
The reckless who run into love
Will you scream when you're alone

Even the beautiful lose control
Will you scream when you're alone
I got a burnin' need to know, know, know
I can't explain my bad behavior
And baby you're a savior
And I don't wanna end up alone
Will you scream when you let go

Even the beautiful, the beautiful
Lose control
All the boys in the back
You keep believin'
No waaay, means no howww
All the girls in the front
You keep screamin'
Some waaay, means somehowww
All the girls in the front
You keep screamin', you keep screamin
Will you scream when you're alone
Even the beautiful lose control
Will you scream when you're alone
Even a miracle happens to slow
No, No
I can't explain my bad behavior
And baby you're my savior
And I don't wanna end up alone
Will you scream when you let go
Even the beautiful, the beautiful
Lose control
At all the boys in the back
You keep screamin'
Even the beautiful lose control
At all the girls in the front
You keep screamin'
Even the beautiful lose control
