I was kind of lonely at first  
So I took life in my own hands  
Got a haircut, joined a band  
And it turned out alright I hit the street  
Feeling good to be me  
Get the look, paint the town  
I pick the spot I wanna get down  
Some days are tough  
When you gotta keep up  
But it's all worth the rush  
Cause we stick around anyway

It's a blank canvas, made of concrete Oh-ooh-oh

I was kind of lonely at first  
So I took life in my own hands  
Saw a movie, joined a band  
And it turned out alright  
I hit the street  
Feeling good to be me  
Get the look, paint the town  
I pick the spot I wanna get down  
Some days are tough  
When you gotta keep up  
But it's all worth the rush  
Cause we stick at it anyway I hit the street  
Feeling good to be me

Get the look, paint the town  
I pick the spot I wanna get down  
Some days are tough  
When you gotta keep up  
But it's all worth the rush  
That's what I heard someone say...
