

Christmas Time (Don't Let the Bells End)

The Darkness

Feigning joy and surprise at the gifts
We despise over mulled wine with you
On the 25th day of the 12th month
The sleigh bells are in time ringing true
How we cling each Noel to that snowflakes and hope in hell
that it won't endDon't let the bells end
Christmas time, just let them ring in peaceWell the weather is cruel
And the season of Yule warms the heart
But it still hurts
You've got your career
Spent the best part of last year apart and it still hurts
So that's why I pray each and every Christmas day
That it won't endDon't let the bells end
Christmas time, just let them ring in peaceChristmas time, don't let the bells end
Christmas time, don't let the bells endDust underneath the mistletoe leaves when you're not here
You went away upon boxing day
Now how the hell am I gonna make it into the new yearChristmas time, don't let the bells end
Christmas time, don't let the bells endChristmas time, don't let the bells end
Christmas time, just let them ring in peaceChristmas time, don't let the bells end
Christmas time, don't let the bells end
