Christmas Time (Don't Let the Bells End)

The Darkness

Feigning joy and surprise at the gifts
We despise over mulled wine with you
On the 25th day of the 12th month
The sleigh bells are in time ringing true
How we cling each Noel to that snowflakes and hope in hell
that it won't endDon't let the bells end
Christmas time, just let them ring in peaceWell the weather is cruel
And the season of Yule warms the heart
But it still hurts

You've got your career

Spent the best part of last year apart and it still hurts So that's why I pray each and every Christmas day

That it won't endDon't let the bells end

Christmas time, just let them ring in peaceChristmas time, don't let the bells end Christmas time, don't let the bells endDust underneath the mistletoe leaves when you're not here You went away upon boxing day

Now how the hell am I gonna make it into the new yearChristmas time, don't let the bells end Christmas time, don't let the bells end Christmas time, just let them ring in peaceChristmas time, don't let the bells end Christmas time, don't let the bells end
