You (prod. DJ Premier)

Evidence

So I figure I'm alone now
Alienated everyone
A lot of my moves are wrong
But I didn't know you wouldn't be here to tell me
You saw three moves ahead
And all you said was remember loving me remember letting go
So I figure I know[Chorus]
You stood up and stole it
'cause you never wanted me
You admit you don't feel it
That you stood up and stole it from me
Why stand up and steal it?
If you never wanted me
Admit you don't feel it
And give it all back to meSo I've guess I've gotta stay strong
After a lot of scavagtage
I've got no one's ego to myself
But I didn't say that you'd be laughing someway
It already moved ahead I lost my trend
And that's what was me
I remember letting go
So I know I don't know[Chorus][Repeat: x3]
And give it all back to me[Chorus]And give it all back to me
And give it all back to me
