I Should Care

Johnny Hartman

I should care
I should go around dreaming
I should care
I should go without sleeping

Strangely enough I sleep well
Except for a dream or two
But then I count my sheep well
Funny how sheep can lull you to sleep

So I should care
I should let it upset me
I should care
But it just doesn't get me

Maybe I won't find someone
As lovely as you
But I should care
And I do

Music Breakâ€¦â€¦â€¦..

I should care
I should let it upset me

For into the future
I hope and pray dear
That you'll be there
Darling you know how I'll always care
