

Tunnel Of Love

Gene Simmons

Well, if you're lookin' for the best
Baby, be my guest
I'll be right before your eyes
I'll be tellin' you no lies You wanted my disease
Ya have to do as I please
You'll jump off the roof if I say
I won't let ya get away It must've been the devil in me
I don't know what else it could be (Tunnel of love, tunnel of love)
Let me visit your tunnel of love
(Tunnel of love, tunnel of love)
I've got to visit your tunnel of love You're just a victimless crime
It happens all the time, yeah
Ya haven't overstayed
An' your bill is not paid You are the lock, I am the key
You know what you do to me (Tunnel of love, tunnel of love)
Let me visit your tunnel of love
(Tunnel of love, tunnel of love)
I've got to visit your tunnel of love You are the lock, I am the key
You know what you do to me (Tunnel of love, tunnel of love)
Let me visit your tunnel of love
(Tunnel of love, tunnel of love)
I've got to visit your tunnel of love
