The Knux

Ta ta turn the lights on
You woke up the bed wrong
Master of oppression (ugh)
Morning time erection
And you gave no suggestions
Won't do pussy protest
If there's no type of progress
Be the cause of your death
Right back to the black book
Last night was the wakeup call
No time in the space at all
Your never gonna see me again
Woowoo woowoo woowoowoowoo
Woowoo woowoo woowoowoowoo
Complained that you won't lavish
Playing like Nintendo
Might hook up with nymphos
While you act like a bimbo
Living with a stranger
Were the sleeves in the door?
Set me free little women
You never gonna see me again
With her knees on the floor
Set me free little women
Your never gonna see me again
