

# Blazin'

## Infinite Mass

I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
    Feels like I'm  
    How could it be, little me had the power to be  
        The best B in the league inevitably  
    But could it be little me, you was heckling me  
        Now it's monotony when I regularly  
            I catch wreck on recreation  
                So I exceed all your expectations  
    Because I got it in 'em, I kill 'em and then I skin 'em  
        The contract is on but I am the addendum  
            So where my dawgs at, Randy  
                Matter fact, get off my dick bitch, Andy  
                    'Cause everything is fine and dandy  
                Go against me now, I dare you, Bambi  
    Half a million dollars just to upgrade the car show  
        I ain't even detonate the bombs and the arsenal  
            Before the storm comes the calm  
                Hope you can take the heat like LeBron  
                    I'm the best now  
                Anybody with some money should invest now  
                    Soccer mom needs to organize a pep rall'  
                        You game over bitch, Gatorade, wet towel  
                            Muthafuckers ain't ready, they neva' been  
                        As long as I am in the game, you'll never win  
                            I'm on that different type of high, heroin  
                                Put on my cape and hit the sky, heroine  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
    This is the moment, grab your Kodak while I'm flying  
With a flow that is the greatest throwback since that Nolan Ryan  
    And the days been crazy and the nights even wilder  
    And the lights even brighter, baby stand next to my fire  
        Only higher is Messiah or notes from Mariah  
        'Rari six hundred horses, that's my chariot of fire  
Where we flying, they can't find us, all them broke days behind us  
    I just took your whole life and redesigned it

I think I'm Marc Jacobs, I think I'm Lagerfeld  
I think without makeup, you still bad as hell  
I'ma grab your waist, then I'ma grab your face and  
Then I'ma taste it, then I'ma blaze it  
Hello all my bad girls, this just in  
Yeezy hurt the beat like he fucked her best friend  
And she let him back in and he just did it again  
He crazy, he blazin', he off the deep end  
I'm blazin' I'm flagrant, I'm crazy I'm saying  
Too much for the world so they abbreviate him  
His past is a phase, his stats is amaze  
Her dress is just per- unh, Prada colored babes  
It obvi' we the ish, and I'm rolling with my bricks  
So real you so trill, baby everything legit  
How you feel, they say we crazed 'cause our styles so diff'  
They'll be jeal' when we in the mag' looking magnif'  
As if I ain't used Magnums on your favorite bad bitch  
Fuck these background niggas I was tryna ad lib  
Add this, we blazin', Nicki what you think?  
I got two white Russians, but we also need some drinks  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
It feels like I'm blazin', blazin', blazin', blazin'  
It feels like I'm blazin', blazin', blazin', blazin'  
It feels like I'm blazin', blazin', blazin'  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing, I'm blazing, feels like I'm blazing  
I fly, I fly high, I'm blazing
