

Mother (Chekers remix)

Danzig

Mother

Tell your children not to walk my way
Tell your children not to hear my words

What they mean

What they say

MotherMother

Can you keep them in the dark for life
Can you hide them from the waiting world

Oh motherFather

Gonna take your daughter out tonight

Gonna show her my world

Oh fatherNot about to see your light

But if you want to find hell with me

I can show you what it's like

Till you're bleedingNot about to see your light

And if you want to find hell with me

I can show you what it'sMother

Tell your children not to hold my hand

Tell your children not to understand

Oh motherFather

Do you want to bang heads with me

Do you want to feel everything

Oh fatherNot about to see your light

And if you want to find hell with me

I can show you what it's like

Till you're bleedingNot about to see your light

And if you want to find hell with me

I can show you what it's

YeaNot about to see your light

But if you want to find hell with me

I can show you what it's like

Till you're bleedingNot about to see your light

And if you want to find hell with me

I can show you what it's like

Whoa

Mother

Yea
