Oh Me, Oh My

Streetlight Manifesto

Quiet now in sleepy dreams
To me it seems the only time to be just me
Bombarded by the phone in my own home
Can't get the space that I need and how I need it, yeah
And oh me, yeah and oh my
And oh me, me, me, me, oh my
Oh, when I look, when I look at my life
And oh me, oh my, when I look at my life, yeah
Crowded by the city, all around me
Need some silence from the loud and noisy crowds
And I'm trying to catch a breath through the air of death
Can't see the sun for the clouds, those dirty clouds
And the night has no compassion for your actions
When you're trying to get away from the hard day, yeah
And I need someone to talk to apart from you
But I, I guess that's just the way, come what may
And oh me, yeah and oh my
And oh me, me, me, me, oh my
Oh, when I look, when I look at my life
And oh me, oh my, when I look at my life

Oh, God, are You there?
Are You there, are You there? No, no, yeah
God, are You there
Are You there, are You there? Yeah
Well are You out there, are You there?
Are You there, are You there?
If so, where are You hiding?
I'm having trouble in finding You
Oh me and oh my
And oh me, me, me, me, oh my
Oh, when I look, when I look at my life
And oh me, oh my, when I look at my life
Oh, God, are you there?
Are You there, are You there? No, no, yeah
God, are You there
Are You there, are You there? No
Well are You out there, are You there
Are You out there, are You out there?

Are You out there, are You out there?
Are You out there?
