

I Just Want To Be

Cameo

Pleasure is my thing
I want to tell you
I'll do what you want me to
Or I'll do nothing at all
I just want to be what you want me to be
Wind it up and see what you want me to be
I just want to be what you want me to be
A get me hot and see what you want me to be
If you want me to, I'll do it
If you want to dance, lets get to it
Let's not take too long, let's move it
'Cause if you take too long, you lose it
Who said that funk was done just by one?
Who said that it was never ever done?
Who said the two of us couldn't groove?
It wasn't me but maybe it was you
Music is here for everyone
Just to dance, just to have some fun
Just because, we did it before
Doesn't mean, we can't have some more
I just want to be what you want me to be
Wind it up and see what you want me to be
I just want to be what you want me to be
I'll be your freaky deak if you want me to be
Play my music loud
I'll do my dance for you
'Cause when the music's pumping
Its hard to tell what we're gonna do
If you think you can
We'll dance to death all night
'Cause the pleasure I can give
Will make things turn out right
If you want me to, I'll do it
If you want to dance, lets get to it
Let's not take too long, let's move it
'Cause when you take too long, you lose it
Who said that funk was done just by one?
Who said that it was never ever done?
Who said the two of us couldn't groove?

It wasn't me but maybe it was you
Music is here for everyone
Just to dance, just to have some fun
Just because, we did it before
Doesn't mean, we can't have some more
Who said that funk was done just by one?
Who said that it was never ever done?
Who said the two of us couldn't groove?
It wasn't me but maybe it was you
Who said?
We said
Who said?
