

Hold Up

Lil' Wayne

Let go, okay
Bitch, I'm me, American gangsta
Weezy F baby, born in a manger
Trouble is my friend, I ain't far in the danger
Clip full of wings, turn you boys into angels
Shoot ya in your halo, shoot you like halo
New Orleans A-hole, Flee-o, Fuego
All about my bread like bagels, they know
I'm raw like Qualo, ball like gay hoes
Weed so strong, it's like I twist tornadoes
Spit like 9's, 4 5th's, and 3 8 oh's
Niggas want problems, well, I am problematic
It's back to pickin' cotton 'cause you niggas cotton candy
I'ma east side damu, deep water shamoo
Shoot you from your head to your shoulders, shampoo
Kush and the bamboo, pussy in the bedroom
Pass that bitch down like an heirloom, tunechi
Hold up, hold up
Wait a minute
Hold up, hold up
We hustle till nightfall
Party till sunlight
Guns in the boxes
Don't make this a gun fight
Fuck them other niggas
I fuck them niggas bitches
Benadryl shit
Trigga finger itches
And we hustle till nightfall
Party till sunlight
Guns in the boxes
Don't make this a gun fight
Fuck them other niggas
I fuck them niggas bitches
Benadryl shit
Trigga finger itches
Hold up, hold up
Wait a minute
Hold up, hold up

Bitch, I'm streets, I rep that east
Gimmie the beef, I'll put the beef in da grease
Kush in the sweets, your bitch in the sheets
I fucked that bitch, mission complete
Real nigga talk gangsta conversation
I'm a real nigga, don't fuck wit' imitations

Young Money, nigga, ain't no limitations
I don't play games, niggas simulation
Which one of y'all niggas say ya 'bout it?
It's a fucked up world, T-Streets take ya out it
That's word to the glock, glock in my sock
Who's left playin' shields better stop at the dot

Hold up

Uh, married to the money, you're welcome to the reception
And she came with problems, fuck it, that's my step sons
Sleepin' in the Maybach, wake me when the jet come
And I keep the toast, turn yo' ass to bread crumbs

Uh, based on a true story

I got a million flows, they ain't even 2 storey's
Sleepin' on the edge, I hope I don't toss and turn
Shoot down the early bird and that's how I get the worm, yeah

Real nigga university, alumni

Just check my watch and that bitch say sometimes
She say when I'm in her, it feel like I'm soul searchin'
And they say money talks, well, it's my spokes person

Uh, grab a star from the sun roof

I fuck her in her dreams and make her come true

Yeah, Young Money in the power

Send my B's at you like a motherfuckin' flower

Hold up, hold up, hold up

Wait a minute

Hold up, hold up

We hustle till nightfall

Party till sunlight

Guns in the boxes

Don't make this a gun fight

Fuck them other niggas

I fuck them niggas bitches

Benadryl shit

Trigga finger itches

And we hustle till nightfall

Party till sunlight

Guns in the boxes

Don't make this a gun fight

Fuck them other niggas
I fuck them niggas bitches
Benadryl shit
Trigga finger itches
Hold up, hold up
Wait a minute
Hold up, hold up
