Do my ladies run this motherfucker?
(Smoke sumthin' tonight, drink sumthin' tonight)
Do my thugs run this motherfucker?
(Who fuckin' tonight, is you fuckin' tonight?)
Somebody say, yeah
Somebody say, yeah
Somebody say, yeah
Somebody say, yeah
Woah, my flow to dangerous
So y'all might as well hang it up, yup yup
'Cause I'll flip it and change it up
With the slang, swich the language up
Guess what I left wit this chi-di-dik, she waz thi-di-dik
Got my freak on and got my John li-di-dikd
All in the ri-di-dib, the bra sti-di-dip
Took her thong off and put gloss on her li-di-dips
She on the ji-di-dob, I'm gettin' sli-di-dopd
Bout to bang out, gettin' mouth, tryin' to dri-di-dive
I'm like hold up wait a minute
There's no rush, I'ma get way up in it
We goin' to ya cri-di-dib to do it bi-di-dig
And I'ma hit like I just did a vi-di-did
Den have fi-di-dun, whicha ti-di-doung
After I ki-di-done I'm out swiss we'r di-done
Who knows, who knows?
Do my ladies run this motherfucker?
(Smoke sumthin' tonight, drink sumthin' tonight)
Do my thugs run this motherfucker?
(Who fuckin' tonight, is you fuckin' tonight)
Somebody say, yeah
Somebody say, yeah
Somebody say, yeah
Somebody say, yeah
Woah, my flow too dangerous
So y'all might as well hang it up, yup yup
'Cause I'll flip it and change it up
With the slang, swich the language up
I'm a v-i-issue play the strip on my gri-i-issle
I stay wit the p-i-istole on my hip

And I stay wit a clip full of me-i-issles
Gray wrist braclet full of cre-i-istles
I'll leave you cre-i-ipled
'Cause I'll be shootin' the tech like when the reff blow the whe-i-istle
But i'll do some B I wichu
If you be blowin' your nose and I ain't talkin' bout wit t-i-issue
My weed green like a p-i-ickle
Hop off the G4, hop in the G ni-i-ickle
Had to throw 24's on the v-i-ichle
And my smile get a broad's hard ne-i-iples
Who knows, who knows
Do my ladies run this motherfucker?
(Smoke sumthin' tonight, drink sumthin' tonight)

Do my thugs run this motherfucker?
(Who fuckin' tonight, is you fuckin' tonight)
Somebody say, yeah
Somebody say, yeah
Somebody say, yeah
Somebody say, yeah
Now you know I'm a ladies man
(Na'm-talkn-bout)

(Na'm-talkn-bout)
The kid got it on lock right now
(Na'm-talkn-bout)
Do my ladies run this motherfucker?
(Smoke sumthin' tonight, drink sumthin' tonight)
Do my thugs run this motherfucker?
(Who fuckin' tonight, is you fuckin' tonight)
Somebody say, yeah
Somebody say, yeah

Do my ladies run this motherfucker?
(Smoke sumthin' tonight, drink sumthin' tonight)
Do my thugs run this motherfucker?
(Who fuckin' tonight, is you fuckin' tonight)
